

January 2025

## Road Reconstruction - Northcliffe Road (Station Street to Munro Avenue) and Munro Avenue (Cliffe Lane to Bayside Avenue)

Every year we invest in Kingston's roads, paths, and drainage network to support the current and future needs of our community.

Due to growing local demand, Council plans to undertake improvements to Northcliffe Road and Munro Avenue, Edithvale. These improvements will include:

- Reconstruction of road, kerb and channel, footpath and vehicle crossings
- Drainage improvements (installing new drainage pipes and pits).

### Construction details

Works are scheduled to commence in May 2025 and will take approximately 20 weeks to complete.

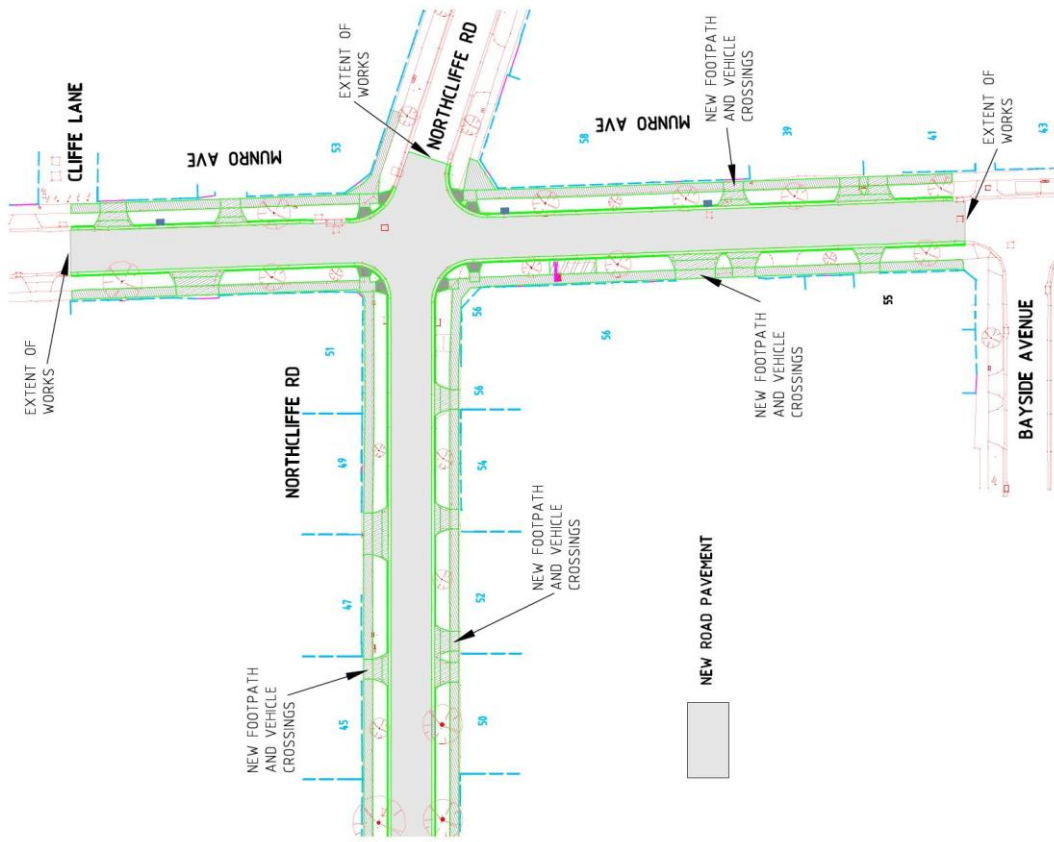

Additional information, including details on who to contact for construction related matters during the construction phase, will be provided closer to the time.

We apologise for any inconvenience during the works and look forward to delivering these improvements for the community.

For further information relating to the construction or timing of the project please contact Brian Trower, Team Leader Roads and Drains. For matters relating to the design of the project please contact Darren Stephens, Design Engineer via email [info@kingston.vic.gov.au](mailto:info@kingston.vic.gov.au) or on 1300 653 356.

Refer to the attached plans for more details. To view other projects being constructed in your area please visit: [www.kingston.vic.gov.au/works](http://www.kingston.vic.gov.au/works)
