

October 2024

Toilet block installation near Nest Café, Waterside Drive, Waterways

Works to construct a new all-abilities, all-gender toilet block for the community will start later this month. The new facilities will be located near Nest Café, Waterside Drive, Waterways.

Community consultation was conducted from November 2023 to January 2024 on the need for an additional public toilet around the Waterways – thanks to everyone that shared feedback. Following strong community support, we're pleased to be able to deliver the new facility to support all locals and visitors to the area.

Construction Details

Construction works will commence in late October and are anticipated to be completed by the end of the year, subject to weather and site conditions. These works will take place during normal construction working hours - 7 am to 5 pm, Monday to Friday.

During this period, the carpark (next to the Nest café) will be temporarily closed. Fencing will be installed around the work area for the safety of the community.

We apologise for any inconvenience and will minimise disruption wherever possible.

Further information

For further information please get in touch with Council on 1300 653 356 or via e-mail info@kingston.vic.gov.au.

The works will be carried out on behalf of Council by contractors Pureablue and Cornerstone Constructions.
