## Why Council provides grants

Through the Kingston Grants Program, Kingston City Council aims to support activity in the Kingston community that:

- Meet community needs and access requirements;
- Promotes community cohesion;
- Encourages residents' engagement and participation in a range of local activities; and
- Assists Council in achieving its planned outcomes, which have been developed in partnership with the community.

The Kingston Grants Program is underpinned by a set of principles, which can be found in the Kingston Grants Policy. There are several different grants provided by Kingston Council. For more information, please refer to Council's website [kingston.vic.gov.au/community/grants/community-grants](http://kingston.vic.gov.au/community/grants/community-grants).

## Bi-Annual Grants

Bi-Annual Grants are one-off grants that support activities that align with and activate Council's strategic priorities for the benefit of the Kingston community. There are two rounds for funding consideration for the **2024/25 financial year**;

**Round 1** opens 29 January 2024 and closes 11 March 2024

**Round 2** opens 29 July 2024 and closes 23 August 2024

Applicants are eligible to receive a maximum of **one grant per financial year**. Therefore, if you are successful for funding within Round 1, you will not be able to apply for Round 2 as this is the second round for funding consideration for the 2024/25 financial year. However, if you are not funded within Round 1, you may reapply for Round 2.

Applications for bi-annual grants for the 2025/26 financial year will open early 2025.
